## Read Chapter 36

Kit finds that all the team have turned up to play- including Martha- what do you think changed her mind?

If you were Martha- would you have turned up to play? If not, why not? If yes, why?

Kit's mum is campaigning to be the union rep- what or who has given her the inspiration and confidence to follow her dream?

## Chapter 36 Activity

Can you design the match day programme? Can you write about the history of the fixture? Include some player profiles. Add in some adverts from local companies. Perhaps there is a column written by the team managers, Miss Bamford and Mr Fold. What will the cover look like?
