Chapter 31

Worksheet

Read Chapter 31

The Allsorts argue about the practice match- do you think Martha and the others have a point?

Was Kit's behaviour on the pitch acceptable?

Do you think the team are justified in threatening to not play?

If they are bound to lose anyway- what's the point in even playing?

Chapter 31 Activity

Can you write a script and act out the scene of the Allsorts argument? You should have a part for Martha, Kit, Hester, Ned and any of the other players. Think about how they might feel and what they might say.
